

# Stackable Barrier Box

## 2010007

1200 x 1200 x 1336 mm

83 kg

Steel / HDG

### Description

This purpose designed stillage holds 60 diagonally stacked Vivatec Barriers allowing them to be transported safely and stored in a space saving manor.

Two boxes can be stacked on top of one another. The welded steel heads on the four vertical posts of the frame simplify the stacking process.

### General Safety

Health and Safety Regulations should be followed at all times.
